## Equal Employment Opportunity Policy

It is the policy of the Company to provide equal opportunity in employment to all employees and applicants for employment.

Employment policies in the areas of recruitment, interviewing, hiring, training, promotion, demotion, transfer, layoff, recall, compensation, benefits, discipline and termination are to be administered without regard to race, color, gender, sex, religion, creed, national origin, ancestry, age, veteran status, pregnancy, childbirth or related medical condition, physical or mental disability, medical condition, genetic information, sexual orientation, citizenship, marital or registered domestic/civil union partner status, gender identity and/or expression, military or veteran status or other characteristics protected by federal, state, or local laws. All employment decisions will be made without regard to any characteristics protected under applicable law, subject to the legitimate business requirements of the Company, based solely on the individual's qualifications, merit and performance.

Otherwise qualified employees with disabilities (as defined in the Americans with Disabilities Act or equivalent state or local law) may be entitled to a reasonable accommodation to enable them to perform the essential functions of the job to the extent that providing the reasonable accommodation does not pose an undue hardship to the Company. Reasonable accommodations also may be provided to an applicant with a disability to enable the applicant to perform the essential requirements of the application process. Any applicant or employee who believes he or she needs a reasonable accommodation to apply for employment or to perform the essential functions of his or her job should contact the Human Resources department via email at [accommodation@genesco.com](mailto:accommodation@genesco.com) or telephone at (615) 367-7467.

Managers and supervisors will assure that positive steps are taken to comply with this policy. They are required to be aware of potential discrimination situations, quickly resolve any discrimination issues that arise, and refrain from retaliation or harassment against any employee involved in the filing, investigation or resolution of a discrimination claim.

Managers, supervisors and all other employees are required to cooperate fully with the investigation and resolution of all discrimination complaints. The Company has an internal complaint procedure designed to address and resolve complaints of discrimination, including retaliation and harassment, as quickly as possible. The Company will take appropriate action to prevent discrimination, retaliation and harassment, and to ensure that the rights of employees who file complaints are respected.

Any employee who feels this policy has been violated is required to contact their Human Resources Representative or address a written complaint to the Human Resources Department at Genesco Park, Post Office Box 731, Nashville, Tennessee 37202-0731, or contact the Human Resources Department at (615) 367-8232 or toll-free at (800) 404-5370 or via email at [respect@genesco.com](mailto:respect@genesco.com).
